

SELFLESS STUDENTS

Walford Anglican School for Girls became a Camp Kickstart champion in association with Kickstart for Kids last month. The not-for-profit organisation offers school holiday fun for vulnerable local children with Camp Kickstart, and offers a selection of donated clothes, shoes and toiletries for the children. To support this cause, Walford gathered many donations from students and their families, including a brand new pair of shorts from Year One student, Chloe Vounasis, who says: "Everyone should help all children feel special and have a good school holiday."
